GET THINGS DONE

You want us to do what? There is no way we can ever get that done. Isn't that impossible? Nehemiah are you crazy? (Nehemiah 2:11-12) "**11** So I came to Jerusalem and was there three days. **12** Then I arose in the night, I and a few men with me; I told no one what my God had put in my heart to do at Jerusalem; nor was there any animal with me, except the one on which I rode." Nehemiah had a bold plan, and no doubt it drew a lot of criticism from without and even from within, but none of that stopped Nehemiah. He knew we can know today(Nehemiah 4:20)"Wherever you hear the sound of the trumpet, rally to us there. Our God will fight for us." It wasn't very long before Nehemiah's plan would catch on to others. (Nehemiah 4:6) So we built the wall, and the entire wall was joined together up to half its *height,* for the people had a mind to work." Make no mistake the work as very challenging. (Nehemiah 4:10-11) "**10** Then Judah said, "The strength of the laborers is failing, and *there is* so much rubbish that we are not able to build the wall."**11** And our adversaries said, "They will neither know nor see anything, till we come into their midst and kill them and cause the work to cease." Threats and taunts would not stop God's man or the people following him. (Nehemiah 4:15) "**15** And it happened, when our enemies heard that it was known to us, and *that* God had brought their plot to nothing, that all of us returned to the wall, everyone to his work." May we be able to draw strength and courage from their example.

In Service to Him,

Doug Gregory

Pantry Update!!!

We have recently been able to help some individuals with food and bath supplies. We now have an opportunity to restock the pantry at this time. Instead of developing a specific list, we ask that you go to the pantry and see what you think is missing. If you could then bring in some of those items, you can help do the Lord's work. :-)
God Bless
